

## PROBLEM-FREE RETINOL

Treat your skin to the benefits of retinol without the redness, dryness and irritation that usually comes with it. The new **Poetry in Lotion** from **DERMADoctor** is designed to produce maximum rejuvenation efficacy with the least possible side effects, says the company. [www.dermadoctor.com](http://www.dermadoctor.com)

## HELPFUL HYDRATION

Hydrate mature skin with **vonNatur's Absolute™ Facial Toner**, a refreshing blend of ingredients that includes aloe and rose. With easy to use facial pads, it is intended to hydrate, soothe and stimulate fatigued and maturing skin. The product also promotes a reduction in pore size, says the company. ## ANTI-AGING INNOVATION

Try an anti-aging system that is created by a Massimo Iannaccone, a renowned expert in Chinese traditional medicine. **Anmo Tuina Antiage Face** is based on a therapy that manipulates the face through the ancient Tuina massage method. It consists of Cream Anmo Tuina and Serum Anmo Tuina. The products are designed to be used along with

the ancient Chinese tuina massage to stimulate circulation and nourish skin from the inside out. The face appears more toned and a luminous after the first treatment, according to the company. [www.tui-na.it](http://www.tui-na.it)
